

MIDWESTERN CAREER COLLEGE

MIDWESTERN CAREER COLLEGE Overview

Midwestern Career College (MCC) is a higher education institution offering certificates, diploma and degree programs focused on preparing students for a rewarding career in the healthcare field.

Established in 2004, the institution is operating in multiple locations across the Chicago-metro region (downtown Chicago, Naperville, and Blue Island), and is approved or accredited by the Illinois Board of Higher Education, Council on Occupational Education, and the United States Department of Education.

On a mission to transform the institution and strengthen our ability to accomplish the school's objectives of academic excellence, social responsibility, affordable access and student career development, Midwestern Career College is uniquely positioned to transform student lives and improve local community.
