About Midwestern Career College

Established in 2004, the institution operates in multiple locations across the Chicago-metro region and is accredited by the Council on Occupational Education (COE).

MCC's mission is to transform the institution and strengthen its ability to accomplish the objectives of academic excellence, social responsibility, affordable access and student career development.

KEY DIFFERENTIATORS

- Exclusive focus on health care education with broad alumni network and experienced faculty
- Flexible schedules and frequent program starts
- Extensive network of clinical externship sites at leading Chicago-metro hospitals and clinics
- Significant emphasis on career services and expanding industry network and alliances
- Financial Aid: Federal grants and loans, WIAO, VA, among others

Externship

Students of our program are eligible for a 40-clock-hour externship at one of our affiliated medical centers.

Clinical externships provide a unique opportunity for a real-life, hands-on patient care experience. Thanks to MCC's wide network of relationships and partnerships with many premier hospitals, clinics and medical centers, students do not have to find their own externship site. We find it for them!

Certifications

Graduates of MCC's Basic Nursing Assistant program are:

- Awarded a Certificate of Completion by MCC
- Eligible to sit for the Illinois Nurse Assistant/Aide Competency Evaluation Exam.

Career Outlook

CNA is a great way to get into the healthcare field. Over the next decade, jobs are expected to grow by 10% according to the U.S. Department of Labor, Bureau of Labor Statistics.

MCC is dedicated to assisting our students in job placement. While MCC cannot guarantee job placement, every effort is made to provide students and recent graduates with leads, contacts and the necessary resources to help them find employment in their prospective field.

Midwestern Career College is approved by the Division of Private Business and Vocational Schools of the Illinois Board of Higher Education (IBHE) and is accredited by the Council on Occupational Education (COE).
