

MIDWESTERN CAREER COLLEGE

DIPLOMA IN MEDICAL ASSISTING

Midwestern Career College's **Medical Assisting Diploma** program prepares students to provide medical office administrative services and perform clinical duties including:

- patient intake and care
- routine diagnostic and recording procedures
- pre-examination and examination assistance
- the administration of medications and first aid

Key Features

- Classroom-based hands-on training in phlebotomy, EKG and medical assisting
- Eligibility for phlebotomist, EKG, and medical assistant certifications through NCCT
- Eligibility for patient care certification through NCCT for those who have or will complete CNA
- Eligibility for phlebotomy and medical assisting certifications from American Medical Technologists (AMT), after meeting additional requirements.

Externship

MCC offers a 180-hour optional externship as part of its diploma in medical assisting. Thanks to MCC's wide network of relationships and partnerships with many premier hospitals, clinics and medical centers, students do not have to find their own externship site. We find it for them!

About Midwestern Career College

Established in 2004, the institution operates in multiple locations across the Chicago-metro region and is accredited by the Council on Occupational Education (COE).

MCC's mission is to transform the institution and strengthen its ability to accomplish the objectives of academic excellence, social responsibility, affordable access and student career development.

KEY DIFFERENTIATORS

- Exclusive focus on health care education with broad alumni network and experienced faculty
- Flexible schedules and frequent program starts
- Extensive network of clinical externship sites at leading Chicago-metro hospitals and clinics
- Significant emphasis on career services and expanding industry network and alliances
- Financial Aid: Federal grants and loans, WIAO, VA, among others

 Start:	January 2017, February 2017
 Duration:	40 Weeks
 Location:	Chicago (Downtown), Naperville, Blue Island
 Format:	Classroom, Clinical Site

Certifications

Graduates of MCC's diploma in medical assisting program who complete the externship are eligible to sit for:

- **Registered Medical Assistant (RMA)** from American Medical Technologists (AMT)
- **Certified Medical Assistant (NCMA)** through the National Center for Competency Testing (NCCT)
- **National Certified Phlebotomy Technician (NCPT)** through the National Center for Competency Testing (NCCT)
- **Registered Phlebotomy Technician (RPT)** from the American Medical Technologists (AMT)
- **Certified Patient Care Technician (NCPCT)** through National Center for Competency Testing (NCCT)
- **Certified EKG Technician (NCET)** through National Center for Competency Testing (NCCT)

Career Outlook

Medical assisting is a great career choice, thanks in part to a projected 23% increase in jobs over the next decade, according to the U.S. Department of Labor, Bureau of Labor Statistics.

To learn more about career outlook and salary expectations for medical assistants, please see <http://www.bls.gov/ooh/>.
