English as a Second Language	\$1200 per term	Paid by MCC \$180-200	N/A	N/A

*MCC will pay for listed exams once, after approval of the program director and after receiving a passing score on the exit exam, if applicable. If a student has an open balance, any certification exam reimbursements will be applied directly towards student's open balance.

** Additional out-of-pocket program costs, which are not payable to MCC are subject to change and may change without warning or institution's knowledge. Examples include, but are not limited to, the fees to cover the cost of vaccination, drug screening, physical exam, background check, uniform costs, among others that may be applicable.

GENERAL EDUCATION COURSES COST PER CREDIT FOR MCC GRADUATES

Students who wish to take select General Education classes only, the tuition is \$250 per credit hour.

PAYMENT PLANS

The following payment plans are applicable only for program tuition costs:

- AAS programs: \$3,000 down-payment, with the remainder equally spread throughout the months of the program.
- Certificate-level programs: \$2,000 down-payment, with the remainder equally spread throughout the months of the program.
- One-time \$100 finance fee is included in all payment plans.
- Students are required to complete a recurring payment authorization form to complete enrollment in the payment plan. All students who do not submit a recurring authorization form will be required to pay the term balance, in full, on or before the start date of each term.
- All payments will be debited from student account on or within 5 business days from the specified due date.
- Every declined transaction will incur a failed transaction fee. Card payments declined multiple times will incur multiple failed transaction fees.

ADMINISTRATIVE FEES

The College reserves the right to revise any administrative fees without notice, except for tuition and fee charges as defined in individual student Enrollment Agreement. The administrative fees are generally non-refundable unless specified otherwise in the student's Enrollment Agreement. Any refunds of administrative fees will be applied directly towards student's open balance if any. If the refund results in a credit balance on the student's account, the refund will be issued to the student in the same form of payment.

Students may be held responsible for damage to facility, equipment or any other MCC property and will be required to pay any charges or fees associated with the services, repairs and/or replacements.

EXTERNAL FEES

External fees are outside of the College control and may change without warning or the institution's knowledge.

Scholarships

- Back to School Scholarship: MCC certificate and associate program graduates are eligible for tuition discounts of 10% when they return to MCC for a certificate or associate program. This discount cannot be combined with transfer credit tuition reductions. Not Applicable to VESL and ESL programs.
- Academic Excellence Scholarship: A select number of \$500 scholarships are available to students who earn a 3.5 or higher term GPA in their program of study. Scholarships amounts for eligible students will be applied to a subsequent term. Not Applicable to AAS in Business Administration, VESL and ESL programs.
- Step-Up Scholarship: A select number of \$350 scholarships are available to VESL and ESL program students who would like to continue their education in any of MCC's Associate of Applied Science Programs.
- Additional scholarships/discounts are available to employees of MCC business partners. Please inquire with Business Office what employees qualify and at what discount.

Students wishing to apply for the scholarships need to complete a scholarship application form available through the Financial Aid or Business Office. All scholarship applications must be submitted before the start of the term for which scholarship funds are applied to. Forms must be submitted to the Business Office directly, in person or via email with a receipt of confirmation unless a different submission method is specified on the form. All scholarships are applied directly towards the cost of tuition and hold no cash value.
