

Midwestern Career College

2019 Gainful Employment Disclosure

Program Name: Dialysis Technologist Training Program

This program is designed to be completed in 40 weeks.

This program will cost \$11,420 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting but may have changed.

Additional out-of-pocket program costs may be incurred. All costs are estimated, and prices are subject to change without notice or MCC's knowledge. Estimates below do not include costs for travel to and from school and clinical education site, site-specific vaccination and drug screening requirements, site-specific uniform costs, or any other additional costs imposed by clinical sites, certification or credentialing agencies etc.

Additional costs (Estimates):
Malpractice Insurance: \$40
Cost of physical exam: varies
Cost of immunizations: varies

Criminal background check: \$20
CPR training: \$60
BONENT (CHT): \$225
NCCT NCPT: \$90

Student Loan Debt

Of the students who completed this program within normal time, the typical graduate leaves with an average debt of \$7049. The median cumulative amount of debt for all Title IV students including private, institutional, and Federal student debt for students who received Title IV aid at any point for attendance in the program.

Program Licensure Requirements

The following states do not have licensure requirements for this profession: Illinois, Indiana, Wisconsin. Professional certification, however, is generally required to qualify for employment in most clinical settings.
