*Additional fees are not paid directly to MCC. All costs are estimated and prices are subject to change without notice or MCC's knowledge. Estimates do not include costs for travel to and from school and clinical education site, site-specific vaccination and drug screening requirements, site-specific uniform costs, or any other additional costs imposed by clinical sites, certification or credentialing agencies etc.

**MCC will reimburse for the applicable certification exam once per exam. If a student has an open balance, any certification exam reimbursements will be applied directly toward the student's open balance. To qualify for reimbursement a student must:

- Receive approval from Program Director before applying for an exam;
- Receive a passing score on the program exit or certification prep exam, if applicable;
- Attempt the certification exam no later than 180 days from the program completion date unless otherwise noted;
- Provide a copy of the certification exam results (passing or failing) to the Program Director within 14 calendar days of taking the exam or within 14 days of the receipt of the certification exam results if not available immediately;
- Be in good academic, financial and conduct standing with the College.

*Laptop – Student enrolled in a certificate-level Medical Assisting and Dialysis Technologist Training Program are eligible to receive a laptop from the college free of charge with the condition that the student completes the program. Students will be charged with \$300 for the laptop expense if student withdraws from the program.

ADMINISTRATIVE FEES

The college reserves the right to revise any administrative fees without notice, except for tuition and fees defined in the student's Enrollment Agreement. The administrative fees are generally non-refundable unless specified otherwise. Any refunds of administrative fees will be applied directly towards student's open balance if any. If the refund results in a credit balance on the student's account, the refund will be issued to the student in the same form of payment. Students may be held responsible for damage to facility, equipment or any other MCC property and will be required to pay any charges or fees associated with the services, repairs and/or replacements.
