MCC Student Laptop Program Optout Agreement

Student Name		Student ID #	
Program		Cohort	

Terms and conditions¹:

I hereby acknowledge and agree that I am opting out of the “MCC Student Laptop Program” and will not receive a Computer System² from MCC for use during my course of study.

I understand that I am responsible for buying or otherwise obtaining a compatible, non-MCC provided device to meet the educational requirements of the above-named Program.

I understand that I am responsible for my compatible personal device at all times, both on and off campus and that MCC shall not be held liable for any lost or stolen devices or any damage occurring on or off campus.

I understand that my compatible personal device is **not** supported, updated, or upgraded by MCC during the course of study nor upon graduation.

I understand that I must adhere to all MCC policies and procedures governing the use of computer systems and devices including policies regarding appropriate use, data protection, safety and privacy, and Wi-Fi and network security.

I acknowledge that in lieu of receiving a Computer System from MCC, I will receive a one-time **\$100.00** account credit.

I understand that the credit shall be applied to the overall account balance and will not reduce monthly payment plan payments (if applicable). Any credit balances resulting from the aforementioned credit shall be refunded in accordance with MCC’s financial policies.

I acknowledge that receiving my \$100.00 account credit is contingent upon my successful graduation from the program. Withdrawal from the program for any reason will result in the forfeiture of any account credits.

I waive all claims and rights pertaining to the MCC Student Laptop Program and in no event shall Midwestern Career College be held liable to me for failing to provide a Computer System during my course of study.

By signing this agreement where indicated below, I certify that I have read the terms and conditions above and I agree to opt out of the MCC Student Laptop Program.
