

Institutional Disclosures Reporting Table

All reported data is provided as of June 14, 2021.

Institutional Disclosures Reporting Table includes certificate-level programs that had student enrollment in the 2019-2020 reporting period. The following programs did not have enrollment in the reporting period: Professional English (540 hours/36 credits), Phlebotomy Technician, Sterile Processing, Clinical Medical Assisting, Dental Assisting, QA Software Testing, and Web Design Specialist.

"N/A" for the Employment Placement reporting categories means that there were no graduates/completers in the program in the reporting period or the program does not prepare for placement (English as a Second language).

"N/A" for Average Starting Salary reporting category means that there were no graduates/completers in the program in the reporting period or the program does not prepare for placement (English as a Second language).

The average starting salary number was annualized to reflect full-time employment salary equivalent. For graduates that provided an hourly rate, the average starting salary for each program was calculated by adding together the known hourly rates, then dividing this number by the number of respondents to get an average hourly rate, then multiplying by 2,080 hours. To provide a more accurate picture of the average hourly rate, any high or low value outliers were removed from the average hourly rate calculation.

"N/A" for Took Professional Certification, Passed Professional Certification reporting categories means that either there were no graduates/completers in the program in the reporting period or the program does not prepare for any professional certifications.
