

Tuition and Fees

Updated 06/11/2021

Phlebotomy Technician

Program Start: Fall 2021

This program does not qualify for Title IV financial aid assistance.

Registration Fee: \$20

Registration fee covers the set-up costs associated with the 1st term.

Tuition fee: \$1990

Technology Fee: \$50

Estimated program book cost: \$90 paid by MCC

Additional out-of-pocket program costs:

Additional out-of-pocket program costs may be incurred. Additional external fees are not paid directly to Midwestern Career College (MCC). All costs are estimated, and prices are subject to change without notice or MCC's knowledge. Examples include, but are not limited to the fees to cover the cost of vaccination, drug screening, physical exam, and additional background check, among others that may be applicable. Estimates below do not include costs for travel to and from school and clinical education site, site-specific vaccination and drug screening requirements, site-specific uniform costs, or any other additional costs imposed by clinical sites, certification, and/or credentialing agencies among others. Students should also refer to the catalog and their enrollment agreement for more information on program specific and/or administrative fees.

Estimated additional fees:

Malpractice Insurance: \$40

Cost of physical exam: varies

Cost of immunizations: varies

Criminal background check: \$20*

Stethoscope: \$20

Blood pressure cuff: \$40

CPR training: \$60*

NCCT National Certified Phlebotomy Technician (NCPT): \$90

AMT Registered Phlebotomy Technician (RPT): \$120 (Requires additional 25 (total of 50) venipuncture and 10 skin punctures)

***Criminal background check:**

The cost of the first background check is covered by MCC during admission process. Depending on the timing of externship placement and clinical site's policies, students may be required to undergo additional background check(s) at their own expense.

***CPR Training:**

Limited CPR courses are offered free of charge by MCC for students enrolled in allied health programs. CPR course enrollment is subject to course capacity and seat availability.
