

Tuition and Fees

Updated 10/15/2022

Associate of Applied Science in Diagnostic Medical Imaging Radiography

Program Start: Winter 2023

Non-Refundable Application fee: \$60

Tuition per term (not including externship/clinical tuition):

FT 12+ credits: \$7,900

PT 9-11 credits: \$7,200

PT 6-8 credits: \$6,500

Externship (clinical) tuition: \$7,800

\$2,600 per 270-hour course with 810 on-site clinical hours total (3 clinical courses) required for the program completion.

Externship/clinical tuition charges are applied in the term in which clinical course(s) are scheduled. Clinical courses 1, 2, and 3 are typically scheduled and charged in Terms 3, 4, and 5 respectively. However, clinical scheduling rules dictate that the credit load of a clinical course must be assigned in the term where most clinical hours are accumulated. This stipulation along with clinical site availability may result in more than one clinical course scheduled in any term. Whenever two clinical courses are scheduled in one term, the charges for one of the courses will be shifted to the following term.

Under normal circumstances, tuition charges plus externship/clinical course(s) charges will not exceed a combined charge of \$7,900 in any single term, unless additional didactic courses are scheduled due to course repeats, retakes, etc.
